

## AIR PORTFOLIO INFORMATION

### INTRODUCTION

The Studio Channel Islands (SCI) is a non-profit organization established in 1998 to aid and assist in supporting the fine arts and artists in the tri-county region of Ventura, Santa Barbara, and Los Angeles.

*Our mission is to promote and preserve the arts in our community, providing unique and diverse artistic encounters for all ages, and extraordinary opportunities for artists.*

One of our purposes is to provide working space and an environment for creative and educational endeavors; to nurture and enhance personal growth of individual artists working in various media's.

### RESIDENT ARTIST INFORMATION

SCI provides Artists in Residence (AIRs) with affordable and accessible studio space in which to produce and display their original work. Also, SCI supports the artist by providing opportunities for exhibition, sale of work, challenging peer association and a creative environment. If the application is accepted, artist will be offered a residency.

The number of resident artists is limited. Those applying for studio space should be aware of the following criteria governing the decision of the SCI Standards Committee.

- Consistency of achievement in work submitted.
- Presentation of work in a professional manner.
- One of a kind art; no production
- Willingness to be part of a cooperative
